Date and Time: Sunday, Dec 11<sup>th</sup> at 4pm  
Special Guest: Dee Hernandez (Canadian Idol Finalist)

**Unique piece of equipment acquired.  
Our first job with it was the grout cleaning in  
the three Pita Pit stores. They couldn't believe  
the results, neither do we 😊**

The Kärcher BDS 43/Duo C is an all-surface cleaning, scrubbing, sanding, polishing, extraction and grinding floor machine.

The patented dual-action Orb Technology is an orbital mechanics system that gives the BDS 43/Duo C the versatility to clean multiple floor surfaces.  
Ideal for hard floor areas up to 7,500 square feet per hour and 3,000 square feet per hour of carpeted surfaces. This is truly an all-surface floor machine.  
Unlike traditional machines, the Kärcher BDS 43/Duo C generates thousands of 3/8" orbital contact points that spin at 1725 RPMs, while at the same time spinning at 80 RPMs rotational movement. The BDS 43/Duo C includes an integrated solution sprayer and tank. One bottle will clean up to 1,000 square feet of carpet and 3,000-5,000 square feet of hard floor surfaces. **YEAH, it is impressive!!!**

**Amazing Vinegar**

**Cleaning Heavily Soiled Hands:**

Moisten cornmeal with apple cider vinegar. Scrub hands, rinse in cold water and pat dry.

**Fresh lunch box:**

It is easy to take out the heavy stale smell often found in lunch boxes. Dampen a piece of fresh bread with white distilled vinegar and leave it in the lunch box overnight.

**Bug Spray:**

Combine equal amounts of water, white distilled vinegar and liquid dish soap in a spray bottle. Use on skin, as needed.

**Get rid of cooking smells:**

Let simmer a small pot of vinegar and water solution.

**Fruit and vegetable wash:**

Add 2 tablespoons white distilled vinegar to 1 pint water and use to wash fresh fruits and vegetables, then rinse thoroughly. Research has shown that vinegar helps kill bacteria on fruits and vegetables.

**To: Our Amazing Floor Care Crew: Every location was completed on time and with great results. Customers were satisfied everywhere. Enjoy your vacations, well deserved!!!!**

**Welcome to our new team members: Joanne, Mark, Cindy and Addis.**

**Congratulations & Thank You To Our Employee Of The Month**
